

adorne Collection  
**Discontinued - adorne® 18-in Modular Track**  
Part No. APMT18TM4

A base under-cabinet modular track for use as the foundation of an adorne Under-Cabinet Lighting and Power System. Easily eliminate countertop clutter while also creating a more functional space within your kitchen. With its customizable modular design, you can create a unique under-cab solution that perfectly fits your home and needs. Modular tracks also available in 12 inch and 27 inch lengths. All lengths available in white or titanium finish.
