

adorne Collection  
adorne® Matte White 6-Gang Screwless Wall Plate with Microban®  
Part No. AWP6GPW1

Crisp and clean, this is an update on the quintessential neutral. Made exclusively for use with designer switches and outlets from the adorne Registered Collection. This wall plate\* features enduring Microban Registered antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. \* Existing inventory of switches, dimmers and plastic wall plates from the adorne Registered Collection at some partner locations may not yet include Microban Registered protection. To confirm that a specific Legrand product is protected with Microban Registered, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label. No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

## Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology.

Includes one Wall Plate and one Steel Frame for mounting the wall plate.

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.

Made to exclusively fit the designer switches, dimmers and outlets from the adorne® Collection, snapping into place with ease.

Other Wall Plates from the adorne® Collection are available in extensive range of on-trend colors, materials and cast metals.

Coordinate with other designer switches and outlets throughout your home for a cohesive, contemporary look.

## Specifications
