

Pass and Seymour Smart Plug-In Switch with Netatmo

Part No. WNP10

The smartest way to take control of lights and power, optimized for larger homes. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant Registered with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a homes unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control. Made exclusively for use with screwless Wall Plates from the radiant Registered Collection, sold separately.

Features & Benefits

Smart Gateway REQUIRED	Control lamps, curling irons, fans, and other small appliances from smartphones and tablets* with the Legrand Home + Control app. Even schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage
Features ultra-reliable performance through a robust and dedicated mesh-network	Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers
Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems	Installs easily, no wiring required. Simply plug in to an existing 120V electrical outlet
Can be paired with a Smart Switch or Wireless Smart Switch for remote control	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Specifications
