

Wattstopper
Discontinued - Ultrasonic Ceiling Occupancy Sensor, 24VDC, 90 linear ft
Part No. W-2000H

Wattstopper's W Series Ultrasonic Ceiling Sensors are versatile motion detectors that control lighting in a wide variety of applications. W Series Sensors can be used individually or as part of an integrated system of Wattstopper lighting control products.

Features & Benefits

Turns lights on and off based on occupancy to reduce energy costs	Adjustable time delay from 15 seconds to 15 minutes
Automatic or manual-on operation when used with a BZ-150 Power Pack	Hallway and 500, 1000 and 2000 square foot coverage available
Ideal for open office areas, conference rooms and restrooms	Advanced Signal Processing (ASP) circuitry automatically adjusts detection threshold

Specifications

General Info

Product Line	Wattstopper	Replaced by Part Number	UT-305-3
UPC Number	754182116041	Country Of Origin	China

Additional Information

RoHS Compliant	Yes	DesignLights Consortium Qualified System	Yes
Security	Yes		

Technical Information

Sensor Type	Occupancy	Sensor Technology	Ultrasonic
