

Wiremold
Wiremold AL3300 Series Raceway Cover
Part No. AL3300C-5

The Wiremold 3300 series aluminum raceway system meets the demands of today's commercial spaces, providing a compact, handsome and effective method of consolidating all power and communication cabling. In laboratories, healthcare facilities and upscale office locations, the divided aluminum raceway separates power and communication cabling and directs these services where required. The low-profile design can be installed as baseboard, surface mounted, or under laboratory reagent shelves. The two-piece raceway means wiring is always accessible and changes are easily accomplished at any time.
