

Wiremold  
AL5200 Large Multi-Channel Raceway Divider Fitting  
Part No. AL5200D-10

Extruded .050" (1.8mm) thick aluminum. Packed four 10' (3m) lengths per carton.

## Features & Benefits

Extruded .050" (1.8mm) thick aluminum. Packed four 10' (3m) lengths per carton.

## Specifications

### General Info

|                       |                                                                                                                                                                              |                    |                                                      |
