

Wiremold
dash Furniture Power Center, 2 Outlet and 1 USB A/C, Graphite
Part No. F3RUR6PRGC

The dash Trademark Furniture Power Center provides users easy access to USB and traditional power wherever it is needed while its modern design compliments any space. Built around a common set of cube options, the dash product family can be configured at the factory for a variety of power, switch, and data needs.

Features & Benefits

With so many potential configurations of power, switching, and trim options, the dash line is ready to meet the needs of designers and end users.

Easy installation. All dash™ products are easy-to-install, requiring minimal hardware.

Features tamper-resistant receptacles. Protect users and devices from damage or risk of injury easy and flexible. Unit can be mounted vertically and horizontally

UL Spill Water Compliant. By meeting UL 962A Spill Water Test requirements, the device can even be used in a horizontal surface such as a tabletop.

FCC Compliance. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Device Charging Convenience. Available with 15W USB Type-A and USB Type-C Combination port.

Mirrored Pairs Available. Made-to-order mirrored pairs are available and feature a different country of origin (Mexico) compared to standard offering. Mirrored pairs flip the order of cubes and the cord-exit side.

This device complies with FCC Part 15, Subpart B.

Specifications
