

Wiremold
Ofr Blank End Fitting
Part No. OFR10B

OFR Series Overfloor Raceway System provides four-channels of capacity and access to a wide range of power, communications, and A/V connectivity options in the smallest, lowest, narrowest, ADA compliant profile available in overfloor raceway systems. This system installs over existing floor coverings and is both tamperresistant and installer-friendly, making it an ideal solution for relocatable or permanent installations where access through floors and ceilings is not an option. There are also transition fittings to feed OFR Series Raceway from Wiremold wall-mounted raceway systems and Vista Architectural Columns. OFR Series Raceway accepts Wiremold Open System device plates that provide connectivity to a wide range of devices from leading communication and A/V providers.

Features & Benefits

Blank end fitting for OFR Series Raceway

Specifications

General Info

Product Line	Wiremold	Color	Black
UPC Number	786776185683	Country Of Origin	United States
Material	Steel	Product Series	OFR Series
Application Sector	Commercial	Warranty Type	1-Year from Installation or 2-Years from Day of Sale
Type	Fitting		

Dimensions

Product Weight US	0.2 lb	Product Height US	0.5 in
