

radiant Collection
Discontinued - Furniture Power Basic Power Unit with 10' Cord- Black
Part No. RDZBK10

Transform hotel furniture into exactly what guests want: a stylish, simple way to stay connected. radiant Registered Furniture Power Centers bring a sleek, modern design with the functionality of power, charging and switching together. Quick and easy installation means nearly every piece of hotel furniture can be powered up and ready to recharge devices.

Features & Benefits

Simply cut an opening, insert, tighten clamps, snap on the bezel and plug in. A compact, low profile design mounts quickly into many surfaces using screw clamps instead of wood screws.

Safe for spills and ready to mount in horizontal surfaces like table tops

Two USB charging ports (5V, 3.1A total) to charge mobile devices as quickly as possible.

Two tamper-resistant receptacles to protect yourself and your devices from damage or risk of injury.

Version with 10' cord available in black, white, and nickel.

Version 2 models feature an optional push button switch that controls a cord-connected lighting fixture.

The pass-thru plug allows you to plug another device such as a lamp into the back of the furniture power unit plug, ensuring you don't lose an outlet.

Complies with part 15 of the FCC Rules and is ETL Listed to both US and Canadian safety standards.

Specifications

General Info
