

Power for both above and below sit stand desks.

## Features & Benefits

Two units. One system: Includes one plug-in outlet center, one Desktop Power Center Slim and one 6' coiled cord to power everything at the desk.

Works with a range of desk heights:  
Compatible with all standard sit/stand desk height ranges.

Mounting options: Simple and flexible installation with options for horizontal and vertical applications.

Comes with cable management:  
Includes four cable ties for convenient cord mounting.

Two versions available with reliable power and charging: 1) three tamper-resistant power outlets and two USB charging ports and 2) two tamper-resistant power outlets and two USB charging ports. 3.1A USB charging ports and 15A power outlets on both models

Passed UL Spill Water requirements: UL 962A Spill Water Compliant and can be used in a horizontal surface such as a tabletop.

Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Complies with FCC Part 15, Subpart B.

## Specifications
